INSTRUCTIONS:

Step 1:

You will need to following layers to create one of each critter:

- Daffodil Delight Cardstock cut with the largest scalloped circle from the Layering Circles Dies, 3" wide
- Basic White Cardstock cut with the largest scalloped circle from the Layering Circles Dies, 3" wide
- Basic White Cardstock cut with the 2-5/8" circle from the Layering Circles Dies
- Flirty Flamingo Cardstock cut with the 2-3/8" circle from the Layering Circles Dies
- Daffodil Delight Cardstock cut with the smallest scalloped circle from the Layering Circles Dies, 1-1/8" wide
- Pumpkin Pie Cardstock 1/2" x 1/2"
- Flirty Flamingo Cardstock small oval cut with the Suite & Ties Dies
- Four Basic Black Cardstock circles cut with a 1/4" Handheld Punch

Step 2:

Cut two strips of the Abstract Beauty Designer Paper to measure 3-1/2" x 1". Add Tear & Tape to the back and wrap around a Hershey Nugget by overlapping the ends. Add Tear & Tape to the bottom of the nugget.

Steps 3-7:

- Use a Sponge Dauber to add color to the large scallop circles. Crushed Curry Ink for the Daffodil Delight circle and Flirty Flamingo Ink to the Basic White circle.
- Cut the small Daffodil Delight circle in half and sponge ink around all the edges.
- Sponge Pumpkin Pie Ink to the small Pumpkin Pie Cardstock square. Score in half diagonally and fold.
- Add whiskers as seen in photo 2 using the Basic Black Stampin' Write Markers.
- Glue the noses and eyes and add white dots to the eyes with the Stampin' White Chalk Marker.

Step 8:

Glue to Hershey Nugget to the inside of each scallop circle, positioned close to the score line. Press in place.

Step 9:

Using the two circles, cut two ends off of the Basic White circle that measure $\frac{3}{4}$ " wide and cut two ends off of the Flirty Flamingo circle that measures $\frac{5}{8}$ " wide. Sponge Flirty Flamingo Ink to all edges and glue together to form two ears.

Step 9:

Glue the wings to the chick on each side using Mini Stampin' Dimensionals and glue the ears to the bunny, flat to the inside.

Use a 1/8" Handheld Punch to punch holes at the top on both sides and tie the twine through both holes into a bow.
